Spirit of Carrollton Photo Contest

February, 2015

Carrollton Area Network (CAN) and Nix Library are sponsoring a photography contest during March- April 11, 2015. Amateur photographers of any age are eligible to participate. We are looking for photographs that capture the “Spirit of Carrollton.” There will be awards made in five different categories and a “best of show” award. Prizes will be given to all award winners. All winning photographs will be displayed at Nix Library and at several public venues in Carrollton and on-line.

The “best of show” winning photograph will be screened on the front of a “Spirit of Carrollton” T-shirt. Sponsor names and/or logos will be printed on the back. The T-shirt will be sold through various Carrollton area outlets. Any profit from sponsorships and T-shirt sales will be distributed to Carrollton area non-profit organizations for their programmatic activities.
